The Secretary to the Government
of His Highness the Maharaja of Mysore,
Development Department, BANGALORE

Sir,

I have the honour to forward herewith copy of letter No. SI.348 dated 20th February 1932 together with the enclosure thereto received from the Secretary, Mysore Co-operative Land Mortgage Bank, Ltd., Bangalore, in the matter of amending byelaw No.92 of the Bank so as to authorise the publication of the Bank's annual balance sheet and other statements within three months after the close of the Bank's year, instead of "within one month" as now prescribed, and to state that in the circumstances stated by the Secretary, sanction of Government may kindly be obtained to the proposed amendment, under Section 53 of the Mysore Co-operative Societies Amendment Regulation No.V of 1929. The byelaw as amended reads as follows:

"92. Within three months after the close of the Bank's year, the Board of Directors shall publish annually

(a) a balance sheet showing the assets and liabilities of the Bank;

(b) a profit and loss account; and

(c) a statement showing the receipts and disbursements for the year."

I have the honour to be,
Sir,
Your most obedient servant,

K H Ramayya
Registrar.

Letter No.SI.348 dated 20th February 1932 from the Secretary, the Mysore Co-operative Land Mortgage Bank, Ltd., Bangalore, to The Registrar of Co-operative Societies in Mysore, Bangalore.

In forwarding herewith an extract of resolution No.5 recorded at the Annual General meeting of the Bank held on 6th December 1931, in the matter of amending byelaw No.92 of the Bank so as to authorise the publication of the Bank's annual balance sheet and other statements "within three months after the close of the Bank's year", instead of "within one month" as now prescribed, I am directed to state that owing to the extensive area of the Bank's operations and the delay that frequently occurs in receiving amounts credited by parties to the Bank's account in Government Treasuries, and intimations of disbursements made by local societies on behalf of the Bank, it is scarcely possible to close the accounts, have them properly audited and publish them within one month of the close of the year. Even in important sister institutions whose operations are restricted to small areas such as the City and which receive moneys and make payments directly, it is found that the balance sheet and other statements are generally issued three to four months after the close of their years. In the circumstances, I am to request that Government may be kindly moved to sanction the amendment of byelaw No.92 as resolved at the General meeting.

Extract of resolution No.5 recorded at the Annual General meeting of the Bank held on 6th December 1931:

"The next proposition that the words "one month" may be altered to "three months" in byelaw No.92 was also unanimously carried."
